

APPLICANT INFORMATION

Name Kyunghyun Cho
E-mail address kyunghyun.cho@aalto.fi
Telephone number +358401795220, +15149805220
Gender male

Postal address PO Box 15400, Department of Information and Computer Science, Aalto University
FI-00076
Aalto

Completed academic degrees

| Degree | Institution | Year |
|------------------|--|------|
| Ph.D. (expected) | Aalto University | 2014 |
| M.Sc. | Aalto University | 2011 |
| B.Sc. | Korea Advanced Institute of Science and Technology | 2009 |

APPLICATION

Research topic Deep Learning for Statistical Machine Translation

Receiving institution University of Montreal, Canada
Duration of research period 24
Sum applied for 58,547 EUR (2 years)
Discipline Natural Sciences and Engineering
information processing sciences

PREVIOUS RESEARCH FUNDING

Finnish Doctoral Programme in Computational Sciences (FICS): 2011 - current (until graduation, planned Mar. 2014)

OTHER APPLICATIONS UNDER PROCESSING

REQUIRED ATTACHMENTS

- ☒ Abstract
- ☒ Project and research plan
- ☒ Cost estimate and overall funding plan
- ☒ Curriculum vitae and list of publications
- ☒ Doctoral thesis examiner's statement
- ☒ Invitation from a foreign organization
- ☒ Reference

DATE AND SIGNATURE

07.01.2014

OBLIGATIONS

I agree to notify the Säätiöiden post doc -pooli about other grants awarded from different sources during the application's processing period. If I am awarded a grant from the Säätiöiden post doc -pooli, I will notify the Pool about funding from other sources awarded during the grant period. In case a grant is awarded by the Pool, I will comply with the instructions to grant recipients from the foundation or fund, which has given the grant. I affirm that the information above is true and correct and give my consent to pass on my application data and documents concerning me to the foundations belonging to the Säätiöiden post doc -pooli for the processing of my application.
